How did you hear about the Ridge View Solar Host Community Fund?

### Project Details

Name of Project or Initiative:

Project Date and Duration:

Funding Request Amount (\$):

*Reminder: Cap amount of \$5,000, unless considered a special project\*\*Considered as a special project: i.e. some piece of infrastructure or other large capital expense that is costly; but shows clear benefits and local support (demonstrated by a minimum of 25 signatories sent by letter).*

Which category (on application guidelines) does the project fall under and please describe the impact:

Is this request for event sponsorship or project support?

*If event sponsorship, you will be asked the following: to specify the number of events; the type of events and details about the events; levels of sponsorship and recognition associated with each; the level of sponsorship you are requesting; if there will be media coverage; whether you are asking for a financial*

*contribution or non-monetary in-kind contribution; and, in some cases, whether a portion of the sponsorship amount is eligible for a charitable tax receipt.*

*If project support, you will be asked the following: whether you are asking for a financial contribution or non-monetary in-kind contribution; if you are, you will need to identify how funds will be primarily used; list other funders and their commitment status.*

Are there other funding partners involved (corporate, government, or private)? Y/N

*If yes, you may be asked the name and amount*

Have you received funds from the Host Community Fund in the past? If so, for what and how much?

What is the primary focus of your project or initiative?

Describe your project or initiative, including what you aim to accomplish?

What will the outcomes of this project or initiative be? How will it support or improve the project area?
